road between the old & the proposed
Ookkads, the necessary grants for the
maintenance of the said portion of the
road being obtained from the C & D

9 From the President of the Mysore
City Municipal Comm No 818 9 12 1906
states that the Ex Engr of the
Mysore Division has agreed to grant the
necessary funds for the Maintenance of
that Section of the Mysore Mananbody
road lying between the old and the proposed
Ookkads and submits a revised
Notification including the said road
within the City municipal limits

V With Govt Notn No 8721 & the
2nd December 1893 the revised list of Mun-
cipal boundaries of the several Divisions
of the Mysore City was published in
last year not amended subsequently.
The present proposal is for the inversion
of the Southern boundary of the City from
the Notn of 1893 it cannot be made out
what the Southern boundary of the City is
at present. For this reason, it appears
preferable if the President submits a
Notification describing the Municipal
limits as

tn sheet

NOTIFICATION

As a new road has been opened by the Improvement Trust -- Board from the Mysore-Manuntoody Road through the New Holageri to the old Weavers Lines now known as Krishnamurtipuram at Mysore, the public are hereby informed that the present southern Municipal ---- Boundary stone will be shifted from the Viceroy road to a point on the Mysore Manuntoody road where the new Holageri road joins at the 8th furlong of the 89th mile. The new proposed boundary line begins at the present Chattanahalli Ookad running along the Mysore Manuntoody road in a south western direction up to ---- Anjaneya's temple and then turns to the south running along the same road. It then meets at the 90th mile the newly opened ---- road that runs through new Holageri and then turns to the west Portion of Manuntoody road between the old ~~Ookad and the proposed~~ a Ookad is not included within its limits. The line running to -- the west for a short distance turns to the north and meets the -- Railway line at the cart track to Kunnegowdan Koppal and then -- running along the cart track in the north western direction includes the village of Madigara hutty within its limits and then ends at the south western corner of Kunnegowdan Koppal village -- boundary line Thus the proposed boundary line includes the - Weavers Lines, new Holageri and madigarahutty The area occupied by the proposed new boundary line is 317 15 acres

By order,

Secretary

NOTIFICATION

As a new road has been opened by the Improvement Trust Board from the Mysore Manuntoddy road through the new Doda Holageri to the Weavers' Lines known as Krishnamurthypuram at Mysore, the public are hereby informed that the present southern Municipal boundary stones on Mysore Manuntoody Road, Bangalore Nilgiri Road, and Mysore Oldagrahar Road are removed from their present places a point on the 8th furlong of the 90th mile on Mysore Manuntoody Road and 3rd furlong of the 90th mile on Bangalore Nilgeri Road and agreeably to the line of the new boundary stone on the Mysore Manuntoody road where the new Holageri road joins at the 8th furlong of the 90th mile. The boundary line begins from Chatnahalli point runs towards south east as far as Natchanahalli, cut by the Doddakere kodi channel going towards north east along the Doddakere kodi channel to a distance of 3 furlongs and then turns towards east meeting the Bangalore Nilgiri road near the 7th furlong of the 90th mile stone. From thence it goes still towards north east meeting the point on the south east corner of graveyard and the Karanjee tank feeder near the foot of the Chamundi hill and again turning to due north, meets the Chamundi hill road near Doorimannai Chatram. From thence running still to the north, joins the boundary mark on the south of Bobali Katte tank bund. On the other side the boundary ~~stone~~ line begins from Chatnahalli point for a short distance turns to the west and meets the Nanjangud road at the cart track to Karnegoudar kennal and then running along the cart track the north western direction includes the ~~village~~ named

Madigara-hutty within its limits and then ends at the south wester corner of Kannegoudankoppal village boundary line Thus the proposed boundary line includes the Weavers' Lines, New Doddi Dolagere and Madigarahutty The total area which has now been included within the Municipal limits in consequence of the boundary stones --- being shifted on Mysore Manuntoddy road, Bangalore Nilgeri and --- Mysore Oldagrahar roads is about 820 acres and 15 guntes

GENERAL

No 2421—*Ml* 488 05 14, *dated 7th September* 1908

Whereas by a proclamation published on the 24th October 1907 at pages 1136 8 in English and at pages 510 12 in Kannada of the *Mysore Gazette*, Part II for 1907, it was duly announced under Section 8 of the Municipal Regulation VII of 1906, that it was proposed to alter the Municipal limit of the City of Mysore as a whole, and whereas no objections have been made to the said proposal the Government of His Highness the Maharaja of Mysore are pleased, in exercise of the powers conferred on them by Section 4 (1) of the said Regulation to alter the Municipal limits of the City of Mysore and to declare that the boundary of the said Municipality shall on and from 1st September 1908, be as shown hereunder —

The boundary line of the City of Mysore commences at the boundary stone fixed 270 feet from the 2nd furlong of the 3rd mile on Yelwal road and skirting the Survey No 75 on the eastern side turns towards the north and running along the eastern boundaries of Survey Nos 77 93, 94 and 95 of Padavarahalli village, meets the foot path at the north west corner of Padavarahalli village, and skirting the western side of Survey No 123 of the same village and following the old feeder channel of Jeevan Rao tank as far as the south east corner of Survey No 122 of the same village turns towards the north and passes along the western boundary of Survey No 11 and skirting Survey No 14 turns towards the north along the foot path to Maragoudanahalli village and runs along the northern boundaries of Survey Nos 15 16 and 17 of Padavarahalli village It then turns to the north along the foot path to Balagola keeping the eastern boundary of Survey No 29 of Maragoudanahalli village and crossing the foot path at the north eastern corner of the same Survey No 29 goes towards the east keeping the northern boundary of Survey Nos 28, 27, 17 16 and 15 of Maragoudanahalli village, crosses the Mysore Bangalore Railway line just at the north eastern corner of Survey No 15 of the same village and going again still towards the east keeping the northern boundary of Survey No 205 of the same village, meets the Municipal Boundary Stone No 2 on the old Balagola road

2 Then the line follows the southern boundary of Survey No 192 of Maragoudanahalli village till it meets the south east corner of Survey No 192, and from this point it turns towards the south, keeping the western boundary of Survey No 182 of the same village and meets the south west corner of Survey No 182, and then the line turns towards the east keeping the southern boundary of Survey Nos 182, 181 and 180 of the same village and turning at the south east corner of Survey No 180 and going northward forming the eastern boundary of Survey No 180, turns towards the east forming the northern boundaries of Survey Nos 145, 144 and skirting Survey No 142 of Lrengere village and crosses the Coles' garden road Then it goes towards the south along the east edge of the road and meets the City Municipal boundary stone No III at the 2nd furlong of the 1st mile

3 From this point the line runs towards the east keeping the northern boundary of Survey No 24 of Balvatha village and meets the City Municipal boundary Stone No IV between 4th and 5th furlongs of 86th mile on Bangalore Nilgiri Road.

4 From this point the line runs towards the east keeping the northern boundary of Survey Nos 135, 134 130, 129 128 and 127 of Lrengere village and meets the City Municipal boundary Stone No V on the old Seringapatam Road

5 From this point the line goes towards the east along the northern boundary of Survey No 113 and turning towards the south at the north east corner of Survey No 113, runs along the eastern boundaries of Survey Nos 113 and 114, and skirting the Survey No 109 to the east of Erangere village crosses the road to Kesre, and runs towards the east in the cart track to Devanur village, keeping the eastern boundary of Survey No 85, the northern boundaries of the Survey Nos 80 and 58 of Erangere village It then crosses the above cart track at the north east corner of Survey No 58 of Erangere village meets the nalla or stream at the north east corner of Survey No 57 of Erangere village, and turns at this point towards the south running along the above nalla, keeping the eastern boundaries of Survey Nos 57, 60, 61 North eastern of 33 and skirting 32 goes along the eastern boundary of Survey No 30 of Erangere village and meets the City Municipal boundary stone No VI on the Mysore Mahadevapur road at 4th furlong of the 1st mile

6 From this point the line still following the same nalla or stream towards the south intersects Survey No 21 of Kathamaranahalli village and following the eastern boundaries of Survey Nos 22, 23, 26 and 30 of Kathamaranahalli village meets the feeder channel of Karanji tank and going towards the east along the feeder channel, skirting Survey Nos 38, 39, 40 and 36 of Kathamaranahalli village and turning towards to south, meets the south west corner of Survey No 56 and going along the western boundary of Survey Nos 56, 57 and 69 of Kathamaranahalli village and meets the City Municipal boundary stone No VII between 3rd and 4th furlong stones of 92nd mile of Mysore Bangalore road

7 From this point the line intersects the Survey No 67 of Kathamaranahalli village and following the western boundary of Survey Nos 62 63, 84, 70, 69, 68, 76 and 126 of Kurubarahalli village, passes along the southern boundary of Kurubarahalli village skirts the Survey No. 1 of the same village, crosses the Chamundi Hill road and meets the City Municipal boundary stone No VIII at 5th furlong of the 1st mile

8 From this point the line runs along the northern boundary of Survey Nos 4 5 42 41, 40, 39, 53, 54 and skirting Survey No 135 of Kurubarahalli village runs along the western boundary of Survey No 137 and turning again at this point towards the west goes along the northern boundaries of Survey Nos 18 17, 16, 15, 145 146 and 151 of Kurubarahalli village and partially skirting Survey No 128 or Goblikatte and partially traversing it passes along the western boundaries of Survey Nos 142, 1 1 and 148 of Mysore Kasba village and meets the City Municipal boundary stone No IX on Chamundi Hill road *via* Goblikatte just near the Karanji tank feeder

9 And from this point the line passes along the southern boundaries of Survey No 140 and eastern boundary of Survey No 150 and skirting the Survey No 157 of Mysore Kasba village, turns towards the south forming the eastern boundary of Survey No 159 and again turning towards the west and following the southern boundaries of Survey Nos. 159 and 160 of the Kasaba village turns again towards the south and goes along the eastern boundaries of Survey Nos 162, 163 and 164 of the Kasba village and again turning towards the west keeping the southern boundary of Survey No 164 of the same Kasba village meets the City Municipal boundary stone No X at 5th furlong of 90th mile of Bangalore-Nilgiri road

10 From this point the line crosses the same road keeping the southern boundary of Survey No 215 of Kasba village and meets the City Municipal boundary stone No XI at 5th furlong of 90th mile of old Agrahar road to Nanjangud

11 From this point the line follows the southern boundaries of Survey Nos 237 238 244 and 246 of the Kasba village and turning towards the north goes along the eastern boundary of Survey No 290 and skirting Survey No 289 and keeping the southern boundaries of Survey Nos 287, 286 284 and 322 of Kasba village, meets the City Municipal boundary stone No XII at 90th mile of Mysore Manantody road

12 From this point the line keeps the western boundary of Survey No 329 of the Kasba village and turning towards the west and skirting the Survey No 330 runs towards the north along the cart track to Kannegaudanakoppal or Malalvadi then keeping the western boundaries of Survey Nos 360, 365 and 364 of Kasba village, it crosses the Nanjangud Railway line and skirting Survey No 363 and keeping on the western boundaries of Survey Nos 368, 537, 369 and 381 skirts Survey No 383 and goes along the western boundary of Survey No 384 of the Kasba village

From this point the line runs along the southern and western boundaries of Kannegaudanakoppal village site and then turning towards the west just at the north west corner of the same village, goes along the northern boundary of Survey No 193 of Malalvadi village and then skirting Survey No 6 on the east side and going along the cart track to Kukkarahalli village keeping to the northern boundary of Survey Nos. 8 and 12 of Malalvadi village turns towards the north at the north west corner of Survey No 12 of Malalvadi village and crosses the cart track keeping on the eastern boundaries of Survey Nos 26, 25 and 2 of Kukkarahalli village and skirting the same village site on the south west, crosses the Kukkarahalli tank feeder channel near the kodi and meets the City Municipal boundary stone No XIII just at the junction of Jayalakshmi Vilas road and Bogadi road at 275 feet from the 1st furlong on the 2nd mile of Bogadi road

13 From this point the line turns towards the north and following the western side of Jayalakshmi Vilas road, meets the 1st boundary stone on Yelval road at 270 feet from the 2nd furlong at the 3rd mile

From the above description it will be seen that the City of Mysore, includes within its limits the parts of Padavarahalli, Maragoudanahalli, Balavatha, Erangere, Kathamaranahalli, Kurubarahalli Kasba village, Kannegoudanakoppal *alias* Malalvadi and Kukkarahalli.
